When track finishes:

Welcome to A New Sound, where we explore the music of our time. I am your host, William Neil and I have an interesting program lined up for you this afternoon. We are going to explore the world of new music and new releases that illuminate various aspects of natural beauty in the world; music that resonates with the spirit and senses and inspires optimism and joy. And I will play two movements from the 11th Symphony of Dimitri Shostakovich for the 20th Century Classics feature. Here we go!

I wanted to share another track from a release by the flutist Alexa Still who performed at the UVA Flute Forum two weeks ago:
